

# EYFS Autumn 1: What makes me unique?

## Sticky Knowledge

We are unique: there is no-one who looks, feels, thinks and acts like you do.

We feel different ways at different times for different reasons.

Each of us are part of a family and a classroom community.

We have lots of different favourite toys. Did you know that the oldest doll is thought to be 4000 years old?

We are all good at different things. What is something that you are good at?

Some families are big and some families are small but all of our families love us very much.

Sometimes we like the same things as our friends but other times we like different things and that is ok.

We are all in different teams. We can be in Gavin, Rosen, Potter or Sues. When we do amazing things we get points for our team.

After school, we all head to our homes but our homes are different. Some people live in houses whilst others live in flats. How many type of homes can you name?
