Homework:

- Children will receive both Mathematics and Reading Eggspress homework each week. This will be set on a Monday and they will have 7 days to complete this.
- Students are also expected to read for 20 minutes daily.

Overleaf you will find information about what we be learning in our topic ‘Why did 1.5 million children go on holiday in 1939?’ Included in this are key knowledge and facts that will be covered as well as a list of key vocabulary and definitions. Please ensure that your children are familiar with these words, including the spellings, as they will be using them throughout their topic.
