

Year 1 Yellow Autumn 2: What was Playtime Like at Grove Road in the Past?

School value: Resilience – we show that we never give up

Topic Sticky Knowledge	
History	Toys were mainly made of wood, paper and metal during the Victorian age. Modern toys are mainly made of plastic. This is because it is usually safer and easier to make things with.
	Rich Victorian children played with toys such as clockwork trains, rocking horses, tea sets and dolls. Poorer children played with homemade toys such as peg dolls, wooden boats and rags stuffed with sawdust to make balls or toy animals.
	Not many people could read or write but Queen Victoria made all children go to school.
	Grove Road Primary school was built in the Victorian times. The front of the school is part of the original building. The part where your classroom is was added later.
Science	Materials used for clothes: Leather—used for shoes, jackets and trousers Wool—used for jumpers, socks, pyjamas and coats Cotton—used for clothes we wear on warmer days and shirts Silk—expensive materials used for scarves and blouses.
	Glass is used for windows in houses and cars to see through and mirrors to see yourself and your reflection.
	Metal is used for strength –in construction of planes, cars and trains and especially tall buildings.
	Wood is used for doors and furniture. Sometimes special wood is chosen for its colour, strength or pattern.
	Plastic is moulded or shaped to form any shape from buckets to animal jelly casts.

Topic Vocabulary		
History	Modern	Things that are made or happen in current times. We can describe toys on sale in the shops now as modern.
	Living Memory	Things that have happened that people are still alive to talk about. Things before that are beyond living memory.
	Century	A century is 100 years. We also talk about the time we live in as the 21 st century.
	Victorian	The time that Queen Victoria was the Queen is called 'Victorian'. This was from 1837 to 1901.
	Museum	A building where objects are kept for people to see. These objects could be from history, science, art, or another culture.
Science	Natural	Things that exist in nature and are not made by people.
	Stiff	A stiff material is firm, hard and not flexible. Sometimes if you try to twist and bend it, it breaks.
	Bend	A bendy material is one that can be twisted and is flexible
	Water-proof	A material that does not allow water or another liquid through.
	Material	What something is made of. Examples of materials are wood, plastic and glass.

School value: Resilience – we show that we never give up

Stand-Alone Sticky Knowledge	
RE	In the Bible, it says that around 2000 years ago King Herod ruled Judea. God sent the Angel Gabriel to tell Mary that she was going to have a baby called Jesus. Mary was afraid but she trusted God.
	Joseph was worried because him and Mary weren't married but an angel appeared to him in a dream and told him not to worry because Mary had been chosen especially by God.
	Mary and Joseph lived in a land ruled by the Roman Emperor called Emperor Augustus. He ordered everyone to go back to where their families originally came from to pay their taxes. Mary and Joseph travelled from Nazareth to Bethlehem. They needed somewhere to stay but so many people had arrived that there was nowhere left to stay. The only place left was a building where animals were kept. This is where Mary gave birth to Jesus.
	The angels appeared to the shepherds on the hill and told them that a Saviour has been born and he is lying in a manger. They went to see the baby. A new star appeared in the sky. Some wisemen who studied the stars knew what this meant and they followed the star to baby Jesus.
	King Herod told the wise men to tell him where Jesus was because he wanted to kill the 'New King'. The wise men went to see baby Jesus and gave him gifts of GOLD, FRANKINCENSE and MYRRH.
	The style indicators of reggae are a laid-back feel with guitar and drums playing really prominently. They often talk about issues in Jamaica, the country Reggae comes from, in the words.
Computing	Blue-bots are an example of a floor robot. To make them move you input instructions on the top of them.
	Some of the buttons send the Blue-bot forward, backward, left and right. If you press lots of buttons together, this makes an algorithm.

Stand-Alone Vocabulary		
Computing	Robot	A computer that can move, or that can move part of itself.
	Algorithm	A set of lots of instructions that a computer can follow to achieve an objective.
	Bug	A mistake or error in a program or algorithm.
	Sequence	The order that you want something to happen.
	Repeat	When you want something to happen again, or happen lots of times.
RE	Mary & Joseph	Mary is the mother of Jesus and Joseph was her husband.
	Frankincense	A nice smelling resin that is used in perfume and incense.
	Myrrh	A special oil that is used for anointing.
Music	Rap	Where the performer speaks in a rhythm over a recorded beat.
	Melody	Another name for a tune
	Percussion	Musical instruments that are played by hitting or shaking like drums, maracas and cymbals.
