Dear Parents/Carers,

## Spring Parents' Evenings

The Spring Term parent - teacher evenings are to take place on Tuesday 5<sup>th</sup> and Wednesday 6<sup>th</sup> March from 3.40pm to 6.30pm.

We are offering these meetings in two ways. You can book an appointment online and appear in person, at school to meet with the class teacher face to face. The second way is to book an appointment online and meet the class teacher online through a video call on a laptop or other device. Both of these appointments can be booked in exactly the same way, online through, <https://groveroadsch.schoolcloud.co.uk/>

This will take you through to a page where you will need to enter your email address and then follow the step-by-step guide for your child/children, their relevant teacher(s), which day and time is convenient for you as well as making the choice of a face-to-face meeting or a video call meeting.

Please note, when entering your email address this must be the same email address that you have supplied to school. You will need to log back into School Cloud for your video appointment, there will not be additional links sent.

**We are unable to offer supervision for children to attend and so the option of a video call may be more suitable if you do not have child care.**

If you would like to see the learning in your child's books you may come and see these 5 minutes before your meeting appointment. If you have arranged your meeting appointment online you may come into the classroom after school at 3.30pm on Thursday 7<sup>th</sup> March to look at the learning with your child. Please note the class teacher will not be available to discuss the books with you on this date.

Please do not attend the school site if you make a video appointment as the teacher will not be able to see you.

Yours Sincerely,

Mrs G. Beckford

Acting Headteacher
