

15th April 2024

Summer Term Clubs

Dear Parent/Carers,

We will be running a variety of after school clubs this Summer term, some of which will be provided by outside providers and thus there will be a cost.

All clubs will run from week beginning 22nd April for 12 weeks after school from 3.30pm to 4.30pm.

All clubs will be available for booking from today until Friday 26th April.

Please go to the links on the timetable below to book your child onto the clubs. Clubs will not run if the spaces are not sufficiently filled and so please do not book a club if your child will not attend. Please note that if your child is accepted into a club, they must attend all sessions as refunds cannot be given mid-term.

Where a club is payable, this will need to be done via Parentpay once you have been informed if your child has been allocated the club. Clubs not on School Cloud are paid for via their own website.

We may add other clubs onto this offer as the term goes on as we continue to explore alternative providers.

Parents will be informed of which clubs their children are attending via email from Friday 19th April 2024.

Kind Regards,
Miss Baxter
