Statement of principles

The governing board of Grove Road Primary School encourages close links with parents and the community. It believes that pupils benefit when the relationship between home and school is a positive one.

The vast majority of parents, carers and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions when a negative attitude towards the school is expressed, this can result in aggression, verbal and or physical abuse towards members of school staff or the wider school community.

The governing board expects and requires its members of staff to behave professionally in these difficult situations and attempt to defuse the situation where possible, seeking the involvement as appropriate of other colleagues. However, all members of staff have the right to work without fear of violence and abuse, and the right, in an extreme case, of appropriate self-defense.

We expect parents, pupils or members of the community to behave in a reasonable way towards the school staff. This policy outlines the steps that will be taken where behaviour is unacceptable.

Our expectations of parents and carers

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school
- Work together with staff in the best interests of our pupils
- Treat all members of the school community with respect – setting a good example with speech and behaviour
- Seek a peaceful solution to all issues
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct
- Approach the right member of school staff to help resolve any issues of concern

Types of behaviour that are considered serious and unacceptable and will not be tolerated:

- Disrupting, or threatening to disrupt, school operations (including events on the school grounds and sports team matches)
- Swearing, or using offensive language
- Displaying a temper, or shouting at members of staff, pupils or other parents
- Threatening another member of the school community
- Sending abusive messages to another member of the school community, including via text, email or social media
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms
- Use of physical punishment against your child while on school premises
- Any aggressive behaviour (including verbally or in writing) towards another child or adult
- Disciplining another person's child – please bring any behaviour incidents to a member of staff's attention
- Smoking, vaping or drinking alcohol on the school premises (unless alcohol has been allowed at a specific event)
- Possessing or taking drugs (including legal highs)
- Bringing dogs onto the school premises (other than service or therapy dogs)

This is not an exhaustive list but seeks to provide illustrations of such behaviour.

Unacceptable behaviour may result in the local authority and the police being informed of the incident.

Procedure to be followed

If a parent/carer behaves in an unacceptable way towards a member of the school community, the head teacher or appropriate senior staff may seek to resolve the situation through discussion. A warning letter to a parent may be issued.

Where all procedures have been exhausted, and aggression or intimidation continue, or where there is an extreme act of violence, a parent or carer may be banned by the head teacher or the Governing Board, from the school premises for a period of time, subject to review.

In imposing a ban the following steps will be taken:

1. The parent/carer will be informed, in writing, that she/he is banned from the premises, subject to review, and what will happen if the ban is breached, e.g. that police involvement or an injunction application may follow
2. Where an assault has led to a ban, a statement indicating that the matter has been reported to the local authority and the police will be included
3. The LA will be informed of the ban.
4. Where appropriate, arrangements for pupils being delivered to, and collected from the school gate will be clarified.

Conclusion

The local authority itself may take action where behaviour is unacceptable or there are serious breaches of our home-school code of conduct or health and safety legislation. In implementing this policy, the school will, as appropriate, seek advice from the Local Authority's education, health and safety and legal departments, to ensure fairness and consistency.

This Policy will be reviewed annually.
